Dear Officer-in-Charge,

Hong Kong PhD Fellowship Scheme

I am delighted to inform you that the Research Grants Council of Hong Kong is launching the third round of Hong Kong PhD Fellowship Scheme (the "Scheme"). The Scheme aims to attract top international students to pursue PhD studies in Hong Kong's world-class research institutions. The fellowship provides a monthly stipend of HK\$20,000 (approx. US\$2,600) and a conference and research related travel allowance of HK\$10,000 (approx. US\$1,300) per year for a period of three years. About 135 fellowships will be awarded for PhD studies commencing in 2012/13 academic year. The deadline for initial application is 1 December 2011.

I have pleasure to enclose posters and leaflets of the Scheme for your information, and should be much grateful if you would grant assistance in posting or circulating them to interested parties of your university / institution.
