

Summer Internships in Software Development at Barclays Capital, Prague

Our **10 Week Paid Full-Time** Summer Internship programme is starting on the 18th June 2012 with a **training week in London**, followed by 9 weeks in our **Prague office**. During your summer internship you will have the opportunity to put your skills into practice with challenging work experience, travel to London and **be extremely well rewarded** financially. If your **performance is strong** during the summer internship, you may be **offered a permanent job** in our Prague office in software development, on our **graduate training programme**. This offer will be valid if you graduate in 2013.

The interview process is as follows:

1. Candidates apply online at www.barcap.com/seeyourself. When choosing your position, please ensure you select **Europe, Middle East and Africa** and apply to the following:
 - Position: **Analyst**
 - Employment Type: **Summer Internship**
 - Role: **Technology**
 - Work location: **Prague**
 - Intake Year: **2012**
2. Once you submit your application, you will be asked to complete an SHL **Numerical** Test + an SHL **Inductive Reasoning** Test. You must **pass both** tests in order to proceed with your application so it is vital to practice these! We suggest that you practice the SHL tests at the following website: http://www.shldirect.com/practice_tests.html
3. Successful candidates will be **interviewed by telephone** on the 28th, 29th & 30th November 2011 (or the following week)
4. **Finalists will be invited to our offices in Prague to a final assessment centre day on the 21st December 2011, offers will be made that day as well**
