Muchos años después, frente al pozo de fusilamiento, el coronel Buendía había de recordar aquella tarde remota en que su padre lo llevó a conocer el hielo. Macondo era entonces una aldea de veinte casas de barro y cañabrava construida a la orilla de un río de aguas serenas que se precipitaban por un lecho de piedras blancas y enormes como huevos prehistóricos. El mundo era tan reciente, que muchas cosas carecían de nombre y para mencionarlas había que señalarlas con el dedo.

COURSE STARTING DATES:

I would like to participate in the course from the following date:

_____ / _____ / 2008

- Every Monday new courses start. If there is a bank holiday on Monday, the course starts on Tuesday.
- Classes on 21.03. and 08.12.08 will be cancelled due to official holidays. Classes on 01.01., 22.01., 19.03., 24.03., 31.03., 01.05., 09.10. and 08.12.08 will be held on another day during the week.
- If there is only one student in an Intensive course, instead of the course in a group, he will receive daily 2 h one-to-one. If there are only two students in a course, they will get 3 h one-to-two, with the course fee staying the same. If there remains only one student in a Complementary course, the course duration will be reduced to 66% of the intended duration. This way we guarantee that every student participates in his appropriate level and groups of different levels are not mixed together.
- * The socialcultural modules have a duration of about 5 hours weekly. The dealt topics (fiestas, politics, bullfights, flamenco, gastronomy,...) enable the student to get in contact with various aspects of the Spanish and Valencian life.
