

COOPERATION OF THE YEAR BETWEEN
COMPANIES AND RESEARCH SPHERE
AmCham a AFI

Association for Foreign Investment (AFI)
and American Chamber of Commerce
in the Czech Republic (AmCham)
are announcing the fifth year of the competition

BEST COOPERATION OF THE YEAR

The aim of the competition is to recognize the best examples of cooperation between the research and application spheres leading to innovations and successful transfers of technologies and knowledge.

*"Coming together is a beginning,
staying together is progress,
and working together is success."*
- Henry Ford -

Application deadline 29th of January 2016
