As in previous years, on behalf of Oriel College as part of the University of Oxford and CBL International Education, we would like to issue our invitation to your University and your students to participate in the *Oxford Summer Institute*. This exclusive summer programme is particularly relevant for law and business students from selected elite universities and gives participants the opportunity to attend courses and presentations on International Law, International Economics, Natural Science, British Literature and Academic Writing, as well as Politics, Philosophy and Economics. The *Oxford Summer Institute* is offered by Oriel College and CBL International jointly and is accredited by the British Accreditation Council.

We would be pleased and honoured to welcome a delegation of up to five students from your University to participate in the *Oxford Summer Institute* in August 2016. All of these students would be eligible for a scholarship of 800 GBP.

We would be delighted if you could forward this information including the scholarship offers to all your interested students by email.
