Objectives of the Conference:

The International Scientific Conference goals are to serve as a forum for an interchange of experience and a presentation of research findings and practical applications, as well as a place of the meeting of university scientists and industry workers who engage in research and technical activities.

Conference Topics:

The International Scientific Conference focuses on key problems of today's power engineering that stem both from technical and economic needs of power industry. It deals also with research activities of development institutions and universities.

Main Topics:

Operation of Electrical Power System - Reliability and Safety - Power Stations - Control of Electrical Power System - Heating Systems - Electrical Technology - Energy Storage - Electrical Power Transmission and Distribution - Smart Grids / Cities / Technologies - Renewable Energy - Electric light - Diagnostics and Maintenance - Electrical Machines and Devices - Power electronics - Power system protection - Information systems

Venue:

Hotel Dlouhé Stráně (www.hotelds.cz/en). The Hotel is situated 100 m from the Kouty nad Desnou train terminal in the north part of the Jeseníky - the highest Moravian mountains.

Registration of Participants:

The complete registration forms will be available on the website of the conference.

Conference Language:

English

Proceedings:

The proceedings will contain only papers sent before the deadline through conference editorial system. Fee - paying participants will get electronic conference proceedings. As a condition for involving the paper into the conference proceedings, which is indexed at Web of Science and Scopus, it is necessary to present the paper at the conference by at least one of the authors.

Accommodation and Boarding:

Accommodation and boarding will be provided directly at the conference venue. Participation at the conference (including boarding, refreshments and social evening) will require payment of the fee. The same applies to including your paper in the proceedings. Accommodation is as usual included in conference fee and will be arranged at Hotel Dlouhé Stráně.
