

## Master student, enroll to the 3AMK Summer School 2022 and learn how to develop your leadership skills

**The 3AMK Summer School is an international intensive course for master's degree students. The extent of the course is 5 ECTS (EQF 7 level).** The 3AMK Summer school is organised by 3 Universities of Applied Sciences in Finland (Haaga-Helia UAS, Laurea UAS, and Metropolia UAS).

### Topics

The main topic of course is "Leadership Skills for a Changing World". In 2022, we will focus on the following sub-topics:

- Inclusive leadership & collaborative practices
- Leading cultural change
- Leading a self-managing organisation

### Implementation

The course consists of the independent pre-assignments and the participation to the intensive week. The program of the intensive week features short talks by university faculty members and practitioners as well as workshops and team work to engage with the theme's topics.

The course will be organized online, and it will be executed in English.

### Important dates and enrollment

- Application period: 26th January – 28 February
- Student selection: latest 18 March
- Pre-assignments published by end of May
- Deadline for pre-assignments: 14 August
- Intensive week: 15 August – 19 August
