

Announcement for students of final year of Bachelor's and Follow-up Master's studies FEECS

The term for registration for the final state exam in IS EDISON is in period from the 30th of April to the 17th of May 2024

(valid only for students who fulfill all study obligations)

The deadline for submitting a bachelor's or master's thesis in electronic form to IS EDISON is 30 April 2024.

The exam period ends on 16 May 2024. Please, check that you have all credits and exams registered in IS EDISON.

On 17 May 2024, the electronic final control of the study will take place.

After final study check, you will receive an e-mail with a request to verify the data in IS Edison. Verify immediately because only after your verification you can be assigned to final state exam.

Students who do not register for the final state exam due to non-fulfillment of study obligations have to submit signed request (for the extension of the exam period or for the termination of study) **to the relevant study office till the end of April 2024 (but no later than 15.05. 2024).**

Application forms can be found at:
