

A SERIES OF WORKSHOPS FOR RESEARCHERS

Discover how to turn research results into commercially valuable solutions!

Get involved in an innovative and dynamic process that combines scientific research and entrepreneurial thinking!

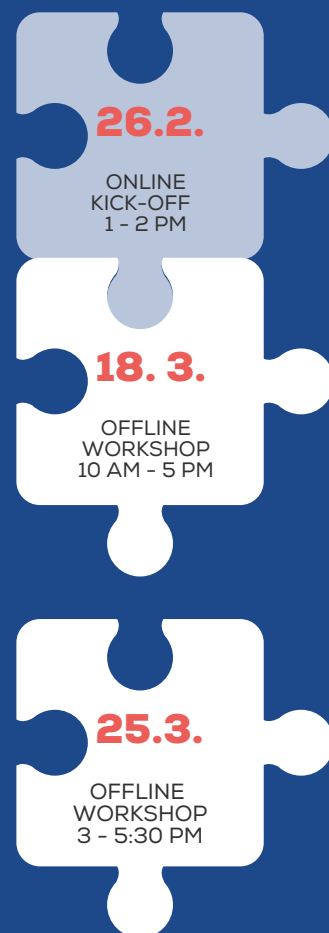

PART 1 HOW TO GENERATE INNOVATIVE AND COMMERCIALY VALUABLE TECHNOLOGY SOLUTIONS

The workshop will be run in ENGLISH and professor HYUN PARK will guide you through it.

We will continue the ongoing discussions at one of the tables with the workshop leader. All workshop participants are invited to join us for dinner.

PART 2 REVERSE PITCHING "BUILDING A BRIDGE BETWEEN SCIENCE AND THE BUSINESS WORLD"

We are changing the rules of the game and giving scientists and companies the space to present their findings and challenges to students, opening a new chapter of collaboration between academia, industry and university talent.
