

**CRISIS AND SECURITY MANAGEMENT**

Dear student,

You are welcome to apply for BIP course on security in Riga, Latvia!

BIP course: May 18–22, 2026, **Arrival:** May 17, 2026. **Departure:** May 23, 2026

In the course there will be around 15-20 students from different countries, from different backgrounds –Security, Law, business, management aso.

During the intensive course students will have the opportunity to learn about security and crises management, develop skills, and gain knowledge about planning and implementing security management in various organizations. They will also learn about identifying and managing security risks. Of course, security education also requires practical knowledge and cooperation, so the course will include practical activities such as team challenges and exercises, and other activities that can be crucial factors in real situations. Please be prepared for outdoor activities which requires also active involvement and hiking!

ON-LINE PART OF THE COURSE

Idea of the Blended Intensive programme (BIP) is to have common on-line and on-site learning activities. That why we will meet 3 times before the physical mobility. Participation in on-line lessons is part of the program and is **obligatory!**

There will be 3 introduction on-line lectures where we will get to know each other and will participate in lectures about security basics and crises management. Meetings will take place in ZOOM platform.

1st on-line meeting: 23.04.2026

2nd on-line meeting: 30.04.2026

3rd on-line meeting: 07.05.2026

TIME: 16:00 until 17:30 (Riga time, GMT+3)

ON-SITE PART OF THE COURSE

About the University

Turība University is leading and biggest private University in Latvia. We specialise in Business and management education, offer bachelor, master and Phd level studies in English and Latvian. If you would like to learn more about the University, please look for info here: www.turiba.lv

Accommodation is available in our student hostel (a place in a four-bedded room) for **48 EUR** for the entire course period. A limited number of two-bedded rooms will also be available – the price for the entire course period is **83 EUR**. Please note that availability is **not guaranteed** and depends on the number of free rooms at the time of reservation. Please note that the price is very reasonable, but the accommodation is simple, as is typical for a student hostel. More information is available at <https://www.turiba.lv/en/university/student-hostel>

Coordinator will contact you individually about the accommodation possibilities (if you have chosen to stay in our students' hostel).

CATERING

Catering is on your own responsibility and costs. In Turība territory there is cafeteria (Café Turība) and students' canteen (Nīke). Cafeteria is open from 9:00, so you can have breakfast there. Students canteen Nīke is open from 11:00-15:00, so you can take lunch there.

Certificate and ECTS

On the end of the course you will have to prepare the presentation (in groups) and present the results. After that you will receive certificate with 3ECTS for the course.
